THE OFFICE.

All dahes demestic, all dishes exotic,

All game in its season—terrene or squarie;
All porters and also that are worth a man's drinking;
All inquers and wines that the heart keep from sinking;
All prints from abroad that there's news or a joke in;
All sorts of good cooking, with civil attention;
And other good things that there's no space to mention,
THE OFFICE abounds in. "Where is it you say"—
Tis in Houston street, only two doors from Broadway.

WHERE SHALL I GO !- DANKE Wassers,

"Where shall I dine!" that's a pertinent question

When appetite hints at a vacuum within,

To teckle the naints without indigestion,

No tare can with that at "THE OFFICE" begin:
Steaks, chops or a cold cut, wild flow served to ordBeef & mutos from England, shotce alse & goodWith all the pure liquors that famous abroad are,

Comribute to render the banquet divine.

NOTHING DELECTABLE TO THE "INNER LIFE" is omitted in the carts of "THE OFFICE," 560 Hourto street, two doors from Broadway.

THE OFFICE.

All those who merely "eat to live" May akip these hasiy lines, The information which they give Is meant for him who dines. 571 BROADWAY.

The Sunday Despatch, Sept. 28, says.—The novelty of the day was the chapeau de plures, made by Alexandrine, Paris, and the only one which has been imported into this city. It is composed of tup sky blue feathers, oranmented with larger feethers of the same hue, lace and searlet velvet blossoms. The tout encemble is caquiatia, but impossible to describe. There is an inexpressable, soft luxuriousness, to which no swords can do justice. It must be seen to be appreciated. An other intended for shigh motorning, was of black velvet, the other intended for shigh motorning, was of black velvet the other intended for shigh motorning, was of black velvet the other intended of the control of white chantily lace, dotted and edged with black; or the control of white chantily lace, dotted and edged with black; or the control of white chantily lace, dotted and edged with black; or the control of white chantily lace, dotted and edged with black; or the control of white chantiles and marabout feathers, specified and crimeon velvet blossoms, with loops of black velvet, the inside of this charming and distingue coffure.

Among the novel decorrations for this acason, we noticed a fringe of feathers; which is entremely beautiful and graceful. It is principally used for brital hats.
